1. Developing research projects jointly and avail funding:
Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written agreement by both organizations.

2. Exchange of academic information, materials and facilities
Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

3. Student Centric activities

3.1 Student Exchange Programs:
Both the parties agree to develop programs whereby the students of either organization can have the opportunity to study at the other organization with mutual recognition of the credit hours arising there from. It is desired by both organizations that there will be significant flow of students in exchange as reciprocal. Both parties agree to facilitate internship facilities for exchange students as mutually agreed. Pursuant to the specific agreement for academic exchange, KTPC and GKCP will exchange students according to the terms and conditions laid out by separate written agreement by both organizations.

3.2 Short Courses/ Summer School:
These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visits to various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

4. Faculty and Staff collaboration:
Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. KTPC and GKCP will exchange faculty according to the terms and conditions as mutually agreed upon.

ARTICLE 6: FERPA

The parties acknowledge that information (if any) received from GOKULA KRISHNA COLLEGE OF PHARMACY regarding students may be protected by the Family Educational Rights and Privacy Act ("FERPA"), and agrees to use such information only for the purpose for which it was disclosed and not to make it available to any third party without first obtaining the student's written consent. For the purposes of this Agreement, Home Institution shall be deemed to be a "university official."

ARTICLE 7: USE OF NAME

None of the parties shall use the name, logo, likeness, trademarks, image or other intellectual property of either of the other parties for any advertising, marketing, endorsement or any other purposes without the specific prior written consent of an authorized representative of the other party as to each such use. Home Institution may refer to the affiliation with GOKULA KRISHNA COLLEGE OF PHARMACY in public information materials regarding the relevant Program. GOKULA KRISHNA COLLEGE OF PHARMACY reserves the right to review and request modification of Home Institution's reference to GOKULA KRISHNA COLLEGE OF PHARMACY as necessary. Home Institution may refer to the affiliation with GOKULA KRISHNA COLLEGE OF PHARMACY in its brochures.

Each party is separate and independent and this Agreement shall not be deemed to create a relationship of agency, employment, or partnership between or among them. Each party understands and agrees that this Agreement establishes an independent contractor relationship and that the agents or employees of each respective party are not employees or agents of any other party.

ARTICLE 9: SEVERABILITY

The provisions of this Agreement are severable, and if any provision of this Agreement is found to be invalid, void or unenforceable, the remaining provisions will remain in full force and effect.

ARTICLE 10: WAIVER

The waiver of any breach of any term of this Agreement does not waive any subsequent breach of that or another term of this Agreement.

ARTICLE 11: ASSIGNMENT

No party may assign this Agreement or any rights or obligations under this Agreement to any person or entity without the prior written consent of the other parties. Any assignment in violation of this provision is null and void.

ARTICLE 12: ENTIRE AGREEMENT

This Agreement constitutes the entire agreement and understanding between the parties as to the subject matter hereof and supersedes all prior discussions, agreements and undertakings of every kind and nature between them, whether written or oral, with respect to such subject matter. This Agreement may subsequently be modified only by a written document executed by both parties.

ARTICLE 13: NOTICES

Any consent, waiver, notice, demand, request or other instrument required or permitted to be given under this Agreement or any related agreements shall be in writing and shall be delivered by hand or
sent prepaid telex, cable or facsimile transmission, or sent, postage prepaid, by registered, certified or express mail or reputable overnight courier service and shall be deemed given when so delivered by hand, telexed, cabled or transmitted, or if mailed, five (5) days after the notice is delivered to the courier service, addressed to the addresses set forth herein, or to such other address as may later be specified in writing by either party.

Memorandum of Understanding

between

GOKULA KRISHNA COLLEGE OF PHARMACY

and

SRG Pharma

This Memorandum of Understanding (MoU) is entered into on this 15/04/21 day of 14/05/24, by andbetween **GOKULA KRISHNA COLLEGE OF PHARMACY and SRG PHARMA. Dr BALAGANI PAVAN KUMAR** (Principal) of **GOKULA KRISHNA COLLEGE OF PHARMACY** and **Deepthi Agarwal** (Managing Director) **SRG PHARMA** agree that cooperation in research collaborations and student and faculty exchanges would be mutually beneficial. The areas of cooperation may include, subject to mutual consent, any desirable and feasible activity that would further the goals of each institution. Such interaction may include cooperation in a variety of joint academic and educational activities such as:

- Joint research projects and publications, including work by undergraduate, graduate, and post-doctoral students at the partner institutions;
- Dual degree programs;
- Faculty and student exchanges based on reciprocity;
- Reciprocal placement of students in paid internships and co-ops, when possible;
- Joint conferences and workshops;
- Team taught courses, including online courses; and
- Visits by faculty, professional staff, and students.

Hyderabad, Telangana - 500 081.

The parties anticipate that a number of these initiatives will occur during the period of this MoU. However, neither party is obligated to agree to any minimum number of activities, nor is this MoU intended to preclude either party from entering into similar agreements with other institutions.

The following initiatives provide good starting places and can be implemented as soon as administrative details are agreed upon between the two institutions:

- Summer joint electives;
- Summer undergraduate experiences;
- Faculty and student exchanges and opportunities for paid internships;
- Dual degree programs;
- Cooperation in academic and research programs to include, but not limited to, sustainability and biomedical sciences and engineering (see appendix 1),

This MoU shall be identified as the parent document of any program agreement executed between the parties. Further agreements concerning any program shall provide details concerning the specific commitments made by each party and shall not become effective until they have been reduced to writing, executed by the duly authorized representatives of the parties.

Cooperation in Education and Research

In order to facilitate student exchanges between **SRG Pharma** and **GOKULA KRISHNA COLLEGE OF PHARMACY** , the following section provides general procedural information under which the exchange of students between the two institutions will take place. Specific procedures, requirements and duties of the parties in connection with student exchanges shall be set forth in a separate written program agreement to be executed by the parties.

Cooperation and exchanges may take place with undergraduate, graduate, or post-doctoral students. Each exchange may be for the duration of one academic year, one academic semester, or one intensive course, normally three or four weeks in length, scheduled either between academic terms or during the summer for 3 years.

Whenever possible, courses will be team taught by one faculty member from **SRG Pharma** and one faculty member from **GOKULA KRISHNA COLLEGE OF PHARMACY** . Courses may be taught at **GOKULA KRISHNA COLLEGE OF PHARMACY** , at, or concurrently at both campuses through online capabilities.

Students may engage in paid co-op or paid internship opportunities through placements by the host institution, providing they meet the legal criteria of the host country.

[Note: International students studying in the United States must comply with U.S. immigration regulations. Typically, U.S. Immigration law requires that an international student maintain full-time status, prohibits them from taking more than one on-line course per semester, and imposes restrictions on off-campus employment. More flexibility is granted to graduate students visiting the U.S. for the purpose of research towards the completion of a thesis/dissertation in their home countries. International students studying in the United States will be required to purchase health insurance to meet certain standards such as medical evacuation and repatriation of remains.]

If two faculty members from each institution are engaged in collaborative research projects, doctoral students at one institution may visit and work in the lab of the faculty member at the other institution and incorporate the work done as part of their dissertation research. When connected to funded research projects, the host institution will endeavor to provide a stipend for the visiting doctoral student.

Responsibilities of home institution for academic semester or academic year exchanges:

The home institution will:

- Register its own students for the duration of the exchange.
- Submit to the host institution the names and academic credentials of students who would like to participate in an exchange.
- Provide the host institution with names of courses that are essential to their own students' curricular plan.
- Ask the student to advise the host institution of any circumstances that may affect his or her year abroad (e.g., medical condition, disability status).
- Advise its students about academic and cultural expectations at the host institution.

SRGPHARMA

SRG PHARMA

Responsibilities of the host institution for academic semester or academic year exchanges:

The host institution will:

- Be responsible for admission decisions of students recommended by the home institution.
- Provide an orientation program for incoming students.
- Endeavor to ensure that students are admitted to courses regarded as essential to their academic programs at their home institutions.
- Assign an academic advisor to all incoming students.
- Assist the incoming student in securing housing.
- Inform the incoming student of health insurance requirements.
- Provide the home institution with a final transcript of the student's academic performance.

Short intensive courses:

Short intensive courses, offered during the summer or between semesters, will be taught by a faculty member from either GOKULA KRISHNA COLLEGE OF PHARMACY . Students will pay a flat fee to their home institutions for the course and that fee will include:

- Airfare to and from the host country;
- Transportation within the host country;
- Accommodation in the host country;
- Any additional fees charged by the host institution.

040-35652763

The total cost of each course will differ according to the location of the host country and the nature of the course being taught.

Students will bear the cost of:

- Their own health insurance and any medical bills or non-mandatory fees;
- Food, living expenses, and any other costs relating to the exchange;
- Books and necessary academic supplies necessary for the course.

The number of credit hours each student will earn will depend on the nature and length of the course and by the department/faculty offering the course.

The primary contacts for this MOU are for **SRG Pharma** and Provost for GOKULA KRISHNA COLLEGE OF PHARMACY . As previously noted, the parties shall enter into specific written agreements whenever appropriate to clarify and define the nature, extent, and terms of operation for the proposed collaborations, including intellectual property ownership and funding issues. Any agreement entered into by these two institutions will require the approval of appropriate officers from each institution. All agreements and activities covered under this MoU or entered into by the parties must comply with all applicable laws and regulations, including all U.S. and India export control laws and regulations.

I. The Second Party will give valuable inputs to the First Party in teaching/ training methodology so that the students fit into the industrial scenario meaningfully.

II. The Second Party agrees to allow the Faculty and Students of the First Party to visit its group enterprises and also engage in the First Party's Industrial Training Programs so that the First Party may get insight into the newest advances and needs of the industries. Students' self-assurance will grow thanks to the association's industrial training and exposure, and they'll be well-equipped to make a clean transition from school to work. All students registered in the First Party will have access to the Second Party's labs, workshops, and industrial sites for practical training.

III. the Second Party will provide First Party students with education on cutting-edge technology in an effort to close the skills gap and better prepare them for careers in the business world.

IV. The Second Party will provide the resources required to host guest speakers who can educate the First Party's pupils on the latest developments and needs in information technology. The Second Party will actively engage to help the delivery of the training and placement of students of the First Party into internships/jobs.

V. IT IS MUTUALLY UNDERSTOOD AND AGREED BY ANDBETWEEN THE PARTIES THAT:

I. As of the day this MOU is signed by both parties, it is in force for a period of THREE (3) years. With consent from both parties, the term may be extended for a further period.

II. Any party may cancel this MoU with three months' written notice and the payment of any outstanding obligations.

Parties A and B indicate agreement with this MOU by their signatures.
