POLICY DOCUMENT

FINANCIAL SUPPORT TO ATTEND FDPS / RESEARCH WORKS / CONFERNCES / WORKSHOPS / SEMINARS / SYMPOSIA / PUBLICATIONS

Introduction:

The institution's policy is to support teaching staff financially for research, attending professional / faculty development programs, conferences, workshops, seminars, and publications in the pharmaceutical field at local, national, and international levels. This initiative aims to enhance faculty standards by expanding research skills and providing a platform for knowledge sharing globally.

Objective:

- Cultivate a research culture among faculty members and enhance their research capabilities.
- Elevate the academic qualifications of the faculty.
- Create a conducive environment for teachers to exchange knowledge and ideas.
- Facilitate interactions with distinguished scholars and scientists to deepen teachers' subject knowledge.
- Foster global engagement opportunities for professors.

Eligibility:

- Regular teaching faculty of the institute are eligible for financial support to participate in professional / faculty development programs, research activities, workshops, conferences, courses, and symposiums in pharmaceutical sciences at various levels.

- Teaching staff utilizing institutional resources for their Ph.D. program are eligible for financial aid and must commit to staying at the college for at least Three years post-Ph.D.
- Financial assistance is available for research projects and publications in reputable journals like SCOPUS, WEB OF SCIENCES, and SCI-indexed journals.

Procedure for Applying the Scheme:

- Faculty members seeking financial aid for their Ph.D. studies should submit a request for necessary research equipment to the administration, subject to the principal's approval.
- Teachers interested in financial assistance for professional development activities should seek approval from the principal; submit relevant documents such as registration receipts, participation certificates, and professional membership certificates within three days of the event.

Approval Process:

- The college chairman will be notified of Ph.D. research pursuits.
- The academic and research coordinator, along with the accountant, must acknowledge participation in professional development programs and research activities.
- Upon principal's approval, the college accountant may disburse funds upon receipt of required documentation.
- Faculty members will receive financial support for registration fees for various professional development activities.
