PROGRAM REPORT

Name of the NSS Activity	:	“A RALLY ON ANTI SUNSTROKE REMEDIES”
Date of the NSS Activity	:	19-04-2019
Description of the NSS activity	:	<p>As a part of NSS UNIT-I regular camp activities, Gokula Krishna College of Pharmacy, Sullurupeta has conducted an “Awareness Program on Sunstroke” on 19-04-2019 at Sullurupeta Municipal corporation surrounding the campus. Wear comfortable loose clothing. Keep yourself hydrated. Drink plenty of water and fruit juices. Do not leave your children or pets locked in a parked car. This has caused many deaths of both children and pets. Avoid any form of strenuous physical activity as much as possible in the direct heat. Even if it is necessary, make sure medical services are readily available, or you have the medical emergency numbers handy. Avoid going out when the sun is at its highest (noon times) because then the temperature is at the maximum. Venture out in late evenings or early mornings. The main objective of this program to create awareness regarding the increase in the mortality due to ignorance of the Sunstroke life-threatening condition that occurs when your body temperature gets too high. It’s usually the result of overexertion in hot, humid weather. Symptoms may include confusion, seizures or loss of consciousness, among others.</p>

PROGRAM REPORT

Name of the NSS Activity	:	“CLEANING OF VILLAGE PONDS AND WELLS”
Date of the NSS Activity	:	13-02-2019
Description of the NSS activity	:	<p>Ponds plays a significant role in the provision of ecosystem services to society including water purification, flood alleviation, irrigation, watering livestock, fish production, support for pollinators and climate change mitigation. Cleaning of ponds was closely related to cleanliness of the village and health of the people. Without clean water, the death toll keeps rising annually due to the increased cases of water born diseases such as Malaria, Diarrhea and Typhoid fever. Sensitizing the society towards the cleanliness, it's not only land to be cleaned but needs the equal attention to be given to water bodies. Keeping this in mind a pond and well cleaning activity was conducted in Polireddy Palem Panchaiti village on 13-02-2019 by National Service Scheme (NSS) unit-I of Gokula Krishna College of Pharmacy, Sullurupeta. Around 50 students of the NSS wing along with 1 faculty members had taken initiative to clean the pond.</p>
<p><i>“Rivers, ponds, lakes and streams – they all have different names, but they all contain water. Just as religions do – they all contain truths.”</i></p>
