## **PROGRAM REPORT**

<b>Name of the NSS Activity</b>	:	<b>"CLEANING OF VILLAGE PONDS AND WELLS"</b>
<b>Date of the NSS Activity</b>	:	<b>27-12-2022</b>
<b>Description of the NSS activity</b>	:	National Service Scheme (NSS) unit-I of Gokula Krishna College of Pharmacy, Sullurupeta. Around 50 students of the NSS wing along with faculty members had taken initiative to clean the pond. Cleaning of ponds was closely related to cleanliness of the village and health of the people. Without clean water, the death toll keeps rising annually due to the increased cases of water born diseases such as Malaria, Diarrhea and Typhoid fever. Sensitizing the society towards the cleanliness, it's not only land to be cleaned but needs the equal attention to be given to water bodies. Ponds plays a significant role in the provision of ecosystem services to society including water purification, flood alleviation, irrigation, watering livestock, fish production, support for pollinators and climate change mitigation. Keeping this in mind a pond and well cleaning activity was conducted in Pulivendula village on 27-12-2022.
<b><i>We'll make sure your pond always meets your every need</i></b>

## **PROGRAM REPORT**

<b>Name of the NSS Activity</b>	:	<b>"AWARENESS PROGRAM ON RAIN WATER HARVESTING"</b>
<b>Date of the NSS Activity</b>	:	<b>26-11-2022</b>
<b>Description of the NSS activity</b>	:	NSS Unit-I of Gokula Krishna College Of Pharmacy, Sullurupeta organized an awareness program on <b>Rain Water Harvesting</b> on dated 26-11-2022 at Pulathota village. The campaign was organized with 50 NSS volunteers and 6 staff members of GKCP. The main objective of this program is to use the locally available rainwater to meet water requirements throughout the year without the need of huge capital expenditure. NSS coordinator explained the uses of rain water harvesting to the pulathota village people. Such as; Less cost, Helps in reducing the water bill, Decreases the demand for water, Reduces the need for imported water, Promotes both water and energy conservation, Improves the quality and quantity of groundwater and Does not require a filtration system for landscape irrigation.
<b><i>Before you get blamed by your son or daughter, harvest every drop of rain water.</i></b>

## **PROGRAM REPORT**

<b>Name of the NSS Activity</b>	:	<b>"AWARENESS PROGRAM ON DIWALI FIRE ACCIDENTS"</b>
<b>Date of the NSS Activity</b>	:	10-11-2021
<b>Description of the NSS activity</b>	:	<p>NSS Unit-I of Gokula Krishna College of Pharmacy, Sullurupeta on 10-11-2021 at Sullurupeta Municipality. The staff and NSS volunteers more than 45 members of GKCP were participated in this program of Diwali fire accidents and air pollution took a pledge which is as follows: The students were also advised to implement the objectives of Swachh Baharat Mission so as to keep the surroundings, home and college clean. They were instructed to make judicious use of paper and other resources, avoid use of plastics, switch over to organic and renewable material like jute etc. Diwali is a time of joy, togetherness, and celebration. However, it's essential to prioritize safety during the festivities to avoid accidents and fires. By following the above fire safety guidelines and using environmentally friendly alternatives, you can have a happy and safe Diwali that leaves behind beautiful memories rather than disasters.</p>

**Date: 18-12-2020**

## **PROGRAM REPORT**

<b>Name of the NSS Activity</b>	<b>:</b>	<b>“ENVIRONMENTAL SANITATION AND DISPOSAL OF GARBAGE &amp; COMPOSTING”</b>
<b>Date of the NSS Activity</b>	<b>:</b>	<b>17-12-2020</b>
<b>Description of the NSS activity</b>	<b>:</b>	<p>Local environmental sanitation was still in its infancy in most remote rural areas with poor economic conditions. Rural garbage was thrown away at will, with no centralized collection or treatment. Villagers cleaning up their own garbage outdoors. The informal treatment had resulted in a waste pile up by the roadside or river body, resulting in worsening waste environmental sanitation in rural areas. The main objective of this programme is to protect our environment from pollution and contamination and repair and reduce the damage caused by pollution and its ill effects on the earth. Composting organic waste can divert substantial trash from landfills and create nutrient-rich soil for agriculture and gardening, developing and maintaining a clean, safe and pleasant physical environment in all human settlements, to promote the social, economic and physical well-being of all sections of the population. By keeping this in mind NSS Unit-I of Gokula Krishna College of Pharmacy in Collaboration with Vidyakalamandir Organization-Bangalore, organized an awareness program on Environmental Sanitation and Disposal of Garbage &amp; Composting on dated 17-12-2020 at Sullurupeta town. Mr. Chiranheev Dass (WMV), 50 NSS student volunteers and faculty members participated in this event.</p>

## **PROGRAM REPORT**

<b>Name of the NSS Activity</b>	:	<b>"CLEAN and GREEN"</b>
<b>Date of the NSS Activity</b>	:	10-11-2019
<b>Description of the NSS activity</b>	:	<p>Cleaning the environment is the key to the existence and survival of life on planet earth. Maintaining a clean environment reduces pollution, preserves our biosphere, protects endangered species, and helps to preserve the earth's natural resources. The polluted atmosphere creates diseases and several viruses and germs that are toxic. To safeguard us from illnesses, a clean environment is extremely important. In order to inculcate the importance of clean and green the NSS Unit-I of Gokula Krishna College of Pharmacy, Sullurupeta organized a awareness program on 10-11-2019 at Nethaji Nagar with slogans of Better Environment, Better Tomorrow. Save the planet Earth. Stop polluting etc., The main objective of this program is to minimize impacts to water quality and water resources Reduce air toxics emissions and greenhouse gas production; Minimize material use and waste production; and Conserve natural resources and energy. A total of 50 NSS volunteers and 5 staff members actively participated in this program and made a grand success of it</p>

## **PROGRAM REPORT**

<b>Name of the NSS Activity</b>	:	<b>“AWARNESS PROGRAM ON CLAY GANESHA”</b>
<b>Date of the NSS Activity</b>	:	<b>30-08-2019</b>
<b>Description of the NSS activity</b>	:	NSS Unit-I of Gokula Krishna College of Pharmacy, Sullurupeta organized an Awareness program on Clay Ganesh. We distributed the Clay Ganesh Idols at Sullurupeta Parameswari Nagar, As we have been observing a growing awareness about the water pollution caused by the immersion of Ganesh idols made out of Plaster of Paris, in natural water bodies such as lakes, rivers and the sea. While idols made out of naturally occurring clay can dissolve within hours of immersion in water, So we distributed the Ganesh Idols to the people of Sullurupeta Parmeswari Nagar. The main objective of this program is to Natural clay Ganesha usually add no chemicals, making it completely biodegradable. Ideally, these idols should be immersed at home itself, so the clay can be returned to the soil and reduces the environmental pressure on water bodies. Staff members and 50 students have actively participated in the event.
